INSTRUCTIONS

This garment is easy to make .It is worked in one piece without a seam, however to avoid seaming the first 2 row a are a little unorthodox. The illustrations should help. If you find this difficult please see below for an alternative pattern with a seam .

Make 30 ch, place a marker in the 30th ch, now work another 45 ch for the neck, dc back into the marked ch, 1 dc in each of the first 29 chains. This forms a loop with a tail. Turn

Row 2: 1 ch, 1 dc in the FLO of each dc worked, now wok a dc in each of the 45 ch, now work 1 dc in the bottom of the 3 dc already worked. Turn. —105dc

Row 3: 1 ch , 1dc in the FLO of each dc to the last dc, work the last dc under both loops to stabilize the edge.

Repeat row 3 until33 rows have been worked. Fasten off.

Seamed alternative. Make 106 ch

Row 1: 1 dc in the 2nd ch from hook, 1 dc in each ch to end. Turn.—105dc

Row 2: 1 ch , 1dc in the FLO of each dc to the last dc, work the last dc under both loops to stabilize the edge. Repeat row 2 until 33 rows have been worked. Fasten off.

Stitch the first 30 ch with the last 30 ch in the foundation row leaving 45 ch open for the neck.
